PROCEEDINGS

Tabor, N. C., October 19, 1922.

The Cape Fear-Columbus Association met with the Mount Tabor Baptist Church at this place in its one hundred and seventeenth session with Moderator A. C. Chaffin presiding. Devotional services were conducted by W. R. Beach.

A roll call of the churches showed eleven churches represented.

The order of business as outlined in the program was adopted.

The following visiting brethren were recognized: J. M. Jolly from the Carolina Association, Bro. K. L. Stanley from the Old Dock Association, Rev. W. R. Beach, representing the Biblical Recorder.

The annual sermon was delivered by Rev. Hoyle Love. Text: Mark 16:7.

Dinner.

The Association reassembled at 1:30 and was led in prayer by Dr. J. J. Hurt. An additional enrollment of messengers showed thirty-two churches represented.

The following visiting brethren were recognized by the Moderator: Dr. Chas. E. Maddry, Secretary of the State Mission Board; Dr. E. B. Dillard, representing the Thomasville Orphanage; Dr. W. L. Poteat, President of Wake Forest College, and Dr. J. J. Hurt, of the Wilmington Association.

CHRISTIAN EDUCATION

Never was there a time in our history when education was stressed as today. Our government has decreed that in order to vote intelligently we must educate. It is gratifying to know that our schools and colleges are crowded with eager students as never before, and our teachers are getting away from the pitiful salaries that they have heretofore been receiving. Carefully compiled statistics reveal the fact that the child with no schooling has only one chance in one hundred and fifty thousand of performing distinguished service; with elementary training four times the chance; with high school education eighty-seven times the chance, and with college education eight hundred times the chance. In our country there are five million illiterate people, and President Harding has called upon the nation and all helpful organizations to unite in making it a reading people.

However, to train the mind without any thought of the Christian religion would be about the same as to train one only physically, and we have a big fighter. Therefore your committee would emphasize Christian training as the most important of all; and since, by legislation, the State schools and colleges are barred from rendering this service, then it is left to other agencies to supply this need, and the time to begin this training is while the mind is still plastic, and there should be no doubt as to this after reading Deuteronomy 6:6, 7: "And thou shalt teach them diligently unto thy children, and thou shalt talk of them when thou sittest in thy house, and when thou walkest by the way, and when thou liest down, and when thou risest up," which is clearly exemplified in the case of Samuel: From the reading we are led to believe that Hannah used every means at her command to instruct him in the fear of the Lord, and just to the reverse, Eli "failed to restrain his sons," and we are told with what disastrous results. We should exercise care in the selection of the schools where we shall send our children, for the curriculum may be ever so high but if the religious faith be lacking, it will miss the true mark.

Education that simply trains the mind and leaves the heart untouched and the will untrained is not Christian. Christian education develops capacity and then sets that capacity to work for good. It must save one from selfishness and train in sacrificial living.

Let me urge upon all young men and women who are thinking upon college and high school training to consider well the advantages of our own institutions.

J. L. MEMORY.

In the absence of the writer, the report was read by Prof. H. M. Bowling, and discussed by him and by Dr. W. L. Poteat, and adopted.

REPORT ON STATE MISSIONS

State Missions comes first in the divine program of bringing the kingdoms of this world into subjection to Christ. He said to His disciples, "Begin at Jerusalem and Judea."

An army has but two functions—first, to defend the homeland, and second, to invade the enemy's territory. The State Board of Missions is that department of our denominational army that has for its business the evangelization of the homeland. In order to accomplish this great work more quickly and more effectively, the 75-Million Campaign was inaugurated three years ago. Since that time this State has raised $2,887,001.09. Our quota per year for the five-year period is $1,228,000. If our State raises

its quota for this year, it must raise, from August 1st to November 30th, $796,998.91. This is a stupendous task, but we can do it if we will.

We must not fail in this great enterprise, in this the greatest hour of all the Christian centuries.

Respectfully submitted,

REV. W. P. CAMPBELL, Committee.

The report is discussed by Dr. Chas. E. Maddry and adopted.

The Moderator appointed the following committee on Time, Place and Nominations: Hoyle Love, A. M. Kelly, K. L. Stanley, George Hooks, W. B. Avery, and W. A. Coleman.

Committee on Program—W. P. Campbell, I. T. Newton, and T. F. Collier.

Adjourned.

The Association reassembled at 7:30 and was led in prayer by Dr. E. B. Dillard.

REPORT ON HOME MISSIONS

As will be learned from the annual report of the Home Mission Board, made to the Southern Baptist Convention at Jacksonville last May, the Board presented a record of wonderful achievements. The previous year had been the greatest in all the history of the Board, and though there was retrenchment in the force of workers, the past year in results was even greater.

The million-dollar mark was reached in the Church Building Loan Fund, which is loaned to churches in the erection of church buildings.

It was the greatest year in soul-saving and in the enlistment of our forces in the work of the Kingdom, in advancement towards self-support in so many of our fields, all of which conspired to render the year memorable in our history.

Sometimes statistics are tiresome and uninteresting, but such as the following ought to cause thanksgiving to God on our part and resolutions to make it posible for even greater results through the labors of our Home Mission Board:

There were last year under the employment of the Board, independent and co-operative workers, a total of 1,188 missionaries who supplied 3,131 churches and missions, delivered 165,445 sermons and addresses, made 236,992 religious visits, baptized 36,164 converts, received 83,994 additions to the churches, organized 308 churches, built or improved 456 houses of worship, organized 786 Sunday Schools, and did a vast work in personal visitation among the sick, and distributed millions of pages of tracts and thousands of copies of the Scriptures.

What a mighty work is being accomplished through this great agency of Southern Baptists, the Home Mission Board! Surely the Lord of hosts is with us, making bare His mighty arm in the salvation of the lost!

The Board's work is done under the following departments: Co-operative Missions, Enlistment, Evangelism, Mountain Schools, Foreigners, Indians and Negroes, Cuba, Panama, Soldiers and Seamen, Publicity, Southern Baptist Sanatorium, Church Extension.

In every department of the work there has been splendid progress, especially on the lines of Evangelism and Enlistment, which two departments have recently been more closely co-ordinated and are working hand in hand for the salvation of the lost and the development of the saved.

The Board for two years has been heavily in debt because of the enlargement of the work at the beginning of the 75-Million Campaign and a great falling off in receipts during the past year. This has made it necessary for retrenchment wherever possible, and has at the same time made it impossible for the Board to respond to numerous and pressing calls for help.

Financial conditions are improving and the Board is encouraged to believe that its receipts will be in advance of those for last year and thus make it possible to lessen the Board's debt and turn our forces towards the larger opportunities that are found on every hand.

Free literature in the way of tracts and leaflets can be had on application.

Respectfully submitted,

F. T. WOOTEN, Committee.

REPORT ON FOREIGN MISSIONS

Southern Baptists are not a provincial people. We are now doing Foreign Mission work in sixteen countries of the world. In these sixteen countries the population is twenty-five times as large as that which resides in the bounds of the Southern Baptist Convention. We have only 462 missionaries supported by the Foreign Mission Board in all this important territory, and 253 of them are in China. We notice that more than half of our foreign missionaries are in China, and yet how few they appear to be in the Chinese population, which is about four times as large as that of the United States.

Our closest Foreign Mission field is Mexico, in which we had 465 baptisms last year.

The work in Argentina is progressing nicely. Last year they gave per member $23.80, while Southern Baptists gave $10.52.

There are some others we would like to mention but do not have the space.

We now have 622 churches in our foreign fields with a membership of 64,251. One-third, or 206 of these churches, are self-supporting, and 375, or more than half, own their own houses of worship. They averaged $7.24 per member last year.

We have a total of 694 schools of all grades with an enrollment of 26,507 students. This enrollment is about equal to the enrollment in all the Baptist colleges in the South.

It is said that 50 per cent of our church members in China were reached in the schools.

Great emphasis is being laid on the Sunday School. Last year there were 971 Sunday Schools with 53,691 scholars. The crowning glory of all the work done last year was 7,891 baptisms. This was almost one thousand more baptisms than we have ever recorded in any year in our Foreign Mission history.

We rejoice in the progress which has been made in our foreign work, but there is one discouraging feature about it, that is, that we at home have fallen short of our duty in supporting this work. Year before last Southern Baptists gave $2,498,381, last year we dropped to $1,755,678, making a shortage of $742,703 in one year.

Our churches should wake up to the seriousness of our Foreign Mission situation. The needs of a broken-hearted, suffering, sinful world call to us with a persistence that must be heeded now. We cannot afford to halt now. We must preach Christ's gospel unfalteringly to the whole world for which He died.

HOYLE LOVE.

Home and Foreign Missions were discussed by Dr. J. J. Hurt and Dr. E. B. Dillard and adopted.

REPORT ON ORPHANAGE

Brother Moderator, Sisters and Brethren:

Think of 2,107 homeless children cared for at our Thomasville Baptist Orphanage since October, 1885. Out of applications of 611 the past year only 67 could be admitted and cared for. May I ask, are we doing what we should at each of our churches, individually and collectively?

Within the last year 28 children have completed the course and are ready and are equipped for the task of facing the battlefield of life.

May I mention here that there are 528 children at present at the Orphanage and that the daily cost of each child is 63¾c—an annual cost of $232.70 for each child.

We are pleased to note that the Printing Department of our Orphanage has made a net profit the last year of		$ 4,682.99
And the farm and dairy products made and consumed by our Orphanage the past year being	$ 36,646.40	
And at the Kennedy Farm (profits)	1,013.90	
		37,660.30
		$ 42,343.29

Our Thomasville Orphanage is a home for the homeless children who are under its care, then it is a training school, an industrial school and a school of applied Christianity all in one. And the great consoling thought with we Christians is that it is under the personal care and supervision of large-hearted Christian men and women.

Its mission is to rescue and save, and train to lives of Christian service homeless children who otherwise would be left exposed to the evils of the world.

The importance of such work is apparent, when we consider the value of a homeless human life, the value of a good man or woman to a community, the world at large, is incalculable.

The Christian people of this Commonwealth, then, should see to it that our Orphanage has full and adequate support.

If every member of our Baptist churches in North Carolina could visit our Orphanage at Thomasville and see the noble work

that is being done there the contributions would so increase that all the plans of the workers could be carried out, and thousands of children who will now grow up into undesirable citizenship because of lack of care and training would be enabled, to the fullest extent, to fill the responsible positions of life.

We are pleased to know that the management at our Thomasville Orphanage is reaching out to help some of the children in the homes of their widowed mothers. It is a step, we believe, in the right direction, and is leading the way to a better and larger service.

The least we can do as Christians, as individuals, is to give our Thomasville Orphanage our heartiest co-operation and support.

J. R. WILLIAMSON, Committee.

The writer of the report not being present, it was read by W. R. Beach and discussed by Dr. E. B. Dillard. The report is adopted.

BIBLICAL RECORDER

The Biblical Recorder has entered its eighty-eighth year as organ of the Baptist State Convention of North Carolina, each year reporting to said body.

It has sought at all times to be true to its name, a faithful exponent of Bible truth, fostering every undertaking that has had for its end the extension of God's Kingdom.

We now have seventeen thousand five hundred subscribers, but to put it in every Baptist home in our State would give us at least seventy-five thousand subscribers. We are seeking a place by every Baptist fireside in order that our homes may be lined up with our undertakings as a denomination.

Our people need information—not that we are more ignorant on general topics than other people, but we don't know what we should about our Lord's work.

This is a reading age but a great deal of the reading our people do is worse than no reading because of its hurtful tendency.

Every undertaking soon realizes the importance of the printed page, and hence advertises extensively. Our political parties must have their organs or their campaigns would accomplish very little. This is just as true of religious denominations in forwarding their work.

We would urge the claims of our paper and its helpfulness to our people and the importance of its place as an agency representing the various phases of our work.

W. R. BEACH, for Committee.

The report is discussed by W. R. Beach and adopted.

RESOLUTIONS

Whereas, text-books on the theory of evolution and the teachings therefrom, as existing today in many of our schools and colleges, strongly tend to undermine faith in the Bible record of the creation, and to produce various forms and degrees of skepticism; and

Whereas, this fact is producing widespread restlessness and dissatisfaction among our Baptist people: Therefore, be it

Resolved, That this Association go on record as fully endorsing the resolutions adopted by the Southern Baptist Convention in Jacksonville, Florida, last May, especially that part the gist of which is as follows:

"That in our opinion a person cannot believe in the theory of evolution as taught today and in the Bible. And we advise all our Boards of Education to select text-books on science which are clearly in accord with the Bible record of the origin of man."

Resolved further, That we reaffirm our belief in, and loyalty to, the Bible from beginning to end as the inerrant word of God.

Resolved again, That we respectfully and earnestly urge the Baptist State Convention of North Carolina to direct the boards of trustees of our Baptist institutions of learning in the State to eliminate from their school and college curriculums all teachers, text-books, and discussions which advocate or encourage the above-named theory, and thereby have due regard to the sacrificing founders of these institutions, and to the more than three hundred thousand North Carolina Baptists who today contribute their money and co-operation for the support of said institutions.

(Signed)

REV. I. T. NEWTON,
REV. W. P. CAMPBELL,
A. M. KELLY,
Committee.

Cape Fear-Columbus Association, October 20, 1922.

The resolution was adopted.

AFTERNOON SESSION

Prayer by Rev. J. T. Caines.

REPORT ON SUNDAY SCHOOLS

In our Sunday School work there are three main objectives:

1. To get the people into the Sunday School.

2. To provide organization and equipment to take care of them.

3. To teach them the Bible for their salvation and for their efficiency in Christian service.

During the last three years 450,000 have been added to the Baptist Sunday Schools in the South, and about 35,000 in North Carolina. There were serious losses during the war and the epidemics of influenza, but during the last conventional year there was an increase of about 25,000 in North Carolina. On the other hand, however, at least 200,000 of our Baptist Church members are not in any Sunday School, and about 300,000 of our Baptist constituency are yet unreached. These figures will show that while much has been done, there yet remains a great task ahead.

Besides the work of our Secretary, Brother E. L. Middleton, there are two Field Workers, Brother A. L. Stephens for Western North Carolina and Brother J. N. Barnette for the East. These, and a goodly number of other workers, held Institutes in many parts of our State during the year. Brother Barnette conducted Institutes at China Grove and Evergreen in this Association. These two churches have recently added rooms to their buildings.

North Carolina leads all our Southern States in the work of Teacher Training. This work ought to be advanced as rapidly as possible.

It is recommended that the churches of this Association provide for more teacher training, and that earnest effort be made to reach all our constituency.

Respectfully submitted,

I. T. NEWTON.

The report was discussed by I. T. Newton and adopted.

REPORT OF HISTORIAN

The Cape Fear Association held its 43d session with the Cape Fear Church, Cumberland County, October 22-25, 1847. The introductory sermon was preached by Elder Furney Prevatt from Psalm 116:1, 2. John Smith was elected Moderator and Haynes Lennon was elected Clerk and Treasurer. Robert M. McRackan was elected Assistant Clerk.

Western Prong was chosen as the meeting place for the next session.

Concerning the Sunday services we find the following recorded in the Minutes: "The morning opened unpleasantly, with several showers of rain; but by 10 o'clock the sky commenced brightening, and by 11 o'clock a large concourse of people were assembled at the stand, who were addressed by Elder William H. Jordan from Rev. 14:4: 'These are they which follow the Lamb whithersoever he goeth.' Elder Haynes Lennon immediately followed with a discourse founded on Romans 7:24: 'O wretched man that I am! who shall deliver me from the body of this death.' A collection was then taken up which was highly creditable to the contributors. An intermission of twenty minutes was given, after which Elder J. J. Brantly addressed the congregation from Romans 14:7: 'For none of us liveth to himself.' The services of the day were closed by an exhortation from Elder W. H. Jordan on enforcing the sacred truths so faithfully delivered during the day." Benediction by Elder Haynes Lennon.

The Association re-assembled Monday morning. The day was given to the consideration of various reports, including reports on Domestic Missions, Wake Forest College, Ministerial Education, etc. Delegates were appointed to the Baptist State Convention which was to be held at Rockford, in Surry County, commencing Thursday before the third Sunday in October, 1848.

The Association was composed of 49 churches representing the following counties: Robeson (9), Bladen (5), Columbus (12), Brunswick (8), Cumberland (5), Marion, S. C. (2), Horry, S. C. (8).

The churches of the Cape Fear Association of 1848 and which now belong to the same Association are the following: Cherry Grove, date of organization not known; Pleasant Hill, organized March 18, 1848; Cross Roads, organized in 1800; Macedonia,

organized in 1839; Mount Zion, date of organization not given; Pleasant Plains, organized in 1834; Porter Swamp, organized in 1828; Mount Tabor, organized in 1838; Western Prong, organized in 1843. Studying the dates of the organization of the several churches, we are led to believe that a great evangelistic wave must have swept over the territory included in the Cape Fear Association from about 1830 to 1840. Thirty-four of the forty-nine churches composing the Association were organized between 1828 and 1848.

REPORT ON TEMPERANCE AND PUBLIC MORALS

In Tim. 1:9, 10 we are taught that "the law is not made for a righteous man but for the lawless and disobedient," etc.

In Rom. 13 we are taught to be subject to civil officers and laws.

In 1 Tim. 2:1, 2 we are exhorted to pray for public officials, "that we may lead a quiet and peaceable life in all godliness and honesty."

One cannot really pray for public officials unless he himself practices temperance, or self-control, and does all he can to cause others to do likewise.

This report, therefore, recommends that the members of the churches of the Association, as Christian citizens, do all they can to maintain law and good order; to co-operate with our public officials in maintaining especially the Volstead Act and the enforcing of the prohibition laws; and to support such candidates for office as will have due regard for their official oath.

Respectfully submitted,

I. T. NEWTON.

The report is adopted.

REPORT ON MINISTERIAL RELIEF

The greatest call from God to man is given in Matthew's gospel of carrying the message of the old, old story of Jesus and His love. To that call many have given their lives in service to the Master. The most straightforward, consecrated Christian is the man who serves God. This man is the encyclopedia for interpreting religious questions, and on whose shoulders falls the greatest responsibility of the extension of the Kingdom. This man who does much and of whom much is expected has but little of this world's goods bestowed upon him to make his work easier and his home more comfortable.

The Baptist State Convention gave instructions at its meeting in 1889 to create a Board of Relief for the benefit of aged and worn-out preachers. This Board was organized in Wilmington, February 1, 1890, with T. H. Pritchard as its first president. Since that time the growth of the Board has been wonderful; but the growth of the Board has not outgrown the needs of it.

The Board now has 61 beneficiaries receiving aid. The amount paid out by this Board last year was $34,644.79. For every $100 paid out through the 75-Million Campaign Fund $4.88 of the amount goes to the support of the ministers on the Board. The $300,000 given by Mr. Rockefeller to the Relief and Annuity Board has greatly strengthened the work, but the cry for aid still rises.

Let us not forget the preacher who has given his life for the cause of Christ, when contributing to the several objects of the Convention.

Respectfully submitted,

K. E. BRYANT.
